

Date: 13.05.2020

Dear Students,

Please not the following:

- As per assignment -8 provided by me, you write all the numerical in your practical book. Please understand and prepare all the numerical and ask for any difficulty. This type of numerical can be asked to complete your internal evaluation.
- As per assignment -9 provided by me, you write only the numerical in your practical book. The theoretical portion is for your reading only, you need not write these theory portion in your any book.
- Please understand and prepare all the numerical and ask for any difficulty
- This type of numerical can be asked to complete your internal evaluation.
- Please write each practical in one or two pages.
- Please complete all your assignments and practical and send me the same (pdf only) with your name and roll number on it to my mail [kldabhi876@gmail.com](mailto:kldabhi876@gmail.com) before 17.05.2020 evening.
- Please submit all Assignments and Practical as per allowed time duration otherwise your internal evaluation may be suffered.

Yours,

(Dr.K.L.Dabhi)
